Brief Overview of the Grant: what it means for the Coalition and for Belmont, where we are strong and where we could be stronger

III. Coalition Punch List:

1 - Decide a Group Name – Possibilities:

Belmont Wellness Partnership
Belmont Wellness Coalition – (so named for grant application purposes, but we are not tied to this name)
Belmont Health and Prevention Partnership
Belmont Healthy Decisions Partnership
Belmont United for Healthy Decisions
Belmont Substance Abuse Coalition
Belmont United for Substance Use Prevention

2 - Declare our Mission :

1 - The Belmont XXX is comprised of individuals who care deeply about Belmont's youth. We are parents, youth, employees, local legislators, business owners and organization leaders working together to create a healthy and safe community by reducing substance use related risk factors and strengthening resiliency among Belmont's youth.

2 - The Belmont XXX is comprised of individuals who care deeply about Belmont's youth. The Coalition's mission is to use education and empowerment to reduce the harm of substance use, and to promote healthy choices and positive decision-making.

3 - Elect a Chair – A Coalition leader who will work with Lisa on setting the agenda, meeting facilitation, setting overall Coalition goals, and recruitment of members.
