

TRUSTED ADULTS OF THE MONTH

May 2024

Mr. Paul Seymour

“Paul is the go-to person whenever I have anything I need in school. He is someone I really trust. Whether it is my Physics project, my swim practice, or my club's fundraiser activity, I can trust Paul to help me. Paul is an incredibly trusted and amazing adult. My high school experience would not have been the same without him.”

Ms. Mastalong

“The thing that makes her very trustworthy is that she will always do something to help me once I share with her my problems. Even when it seems like there is no way for her to solve the problem, she would try her best to be helpful.”
